Statement of parent

Please read this form carefully. If the procedure has been planned in advance, you should already have your own copy of page 3, which describes the benefits and risks of the proposed treatment. If not, you will be offered a copy now. If you have any further questions, do ask - we are here to help you and your child. You have the right to change your mind at any time, including after you have signed this form.

- I agree**
 - to the procedure or course of treatment described on this form and **I confirm** that I have 'parental responsibility' for this child.

- I understand**
 - that you cannot give me a guarantee that a particular person will perform the procedure. The person will, however, have appropriate experience.
 - that my child and I will have the opportunity to discuss the details of anaesthesia with an anaesthetist before the procedure, unless the urgency of the situation prevents this. (This only applies to children having general or regional anaesthesia.)

- I understand**
 - that any procedure in addition to those described on this form will only be carried out if it is necessary to save the life of my child or to prevent serious harm to his/her health.

- I have been told**
 - about additional procedures, which may become necessary during my child's treatment. I have listed below any procedures, which **I do not wish to be carried out** without further discussion.
