

Requesting of Nephrostomies

Non-urgent (within 7 days).

Request on ICE. Good clinical information, including clotting, renal function, sepsis and antibiotics.

Urgent (within 48hours).

Contact Radiologist and theatre 13 (ext -7373) Theatre 13 will give you information about possible vacant slots and likely availability of Fiona or Jon. Fiona Miller's secretary ext is 3491 and she will be able to tell you if Fiona is available and her whereabouts.

If there is no interventional radiologist available then the patient will need to be discussed with our colleagues at Addenbrookes or Leicester to discuss transfer.
